Did you know that the not-for-profit sector has the highest rate of fraud of any industry? One of the most important elements of governance is to effectively manage the risks related to finance with a full understanding of the requirements.

This session will provide board members with the skills to read financial reports, assist with budgeting and ensure key risk and fraud prevention policies are in place. Bring along examples of your organisation's financial reports.

At the end of the training you will:

- Develop skills in reading financial statements.
- Understand key financial ratios.
- Be able to develop budgets.
- Understand and reduce financial risk & fraud.
