Illawarra Forum

**Thur 6th April 2017**  
9:30am - 3:30pm

**Venue: Gerroa Fishermans  
Club 68 Crooked River Road,  
Gerroa, NSW**

The Illawarra Forum are pleased to present:

## **NDIS: Innovation and Opportunity**

Following on from NDIS: The Way Forward this one day event will explore creative and thought provoking ideas for service providers to maximise their potential under the NDIS including:

- Intent and opportunities of the Information, Linkages & Capacity (ILC) Building program.
- The changing workforce
- The role of the Local Area Coordinators (LAC's) in the Illawarra
- Innovative ideas from regions that have already rolled out

The day will be facilitated and feature a presentation by:

### **Sally Coddington**

Managing Consultant, Disability Services Consulting

Sally has diverse commercial experience spanning over 20 years across financial services, human services, for profit and for purpose industries around the world. Sally is passionate about supporting businesses in developing and marketing products, services, spaces and experiences for people with a disability. Sally has a daughter who has been a participant of the NDIS since 2013.

**Other speakers will include:**

### **Alan Hough**

Sector Support Consultant, National Disability Consultant, NDS

Alan Hough is a Sector Support Consultant with National Disability Services, the peak body for disability service providers. He supports organisations with headquarters in the Illawarra, Shoalhaven and Southern NSW regions in their readiness for NDIS. Prior to joining NDS, Alan has been a CEO, board member and academic specialising in not-for-profit organisations.

### **Donna Dives**

District Manager (Local Area Coordination), Uniting

### **A representative from NDIA**
